Recipe for the Road

A *SWEET*
CAMPFIRE
TREAT!

Banana Boats

4 sheets (12x18" or so) heavy-duty aluminum foil
4 firm ripe bananas, peeled & sliced in half lengthwise
1/4 cup brown sugar
4 tsp. margarine or butter
1/2 tsp. ground cinnamon

Toppings:

Chocolate chips, nuts,
mini marshmallows,
whipped cream, cherry
pie filling

Place two pieces of banana on each foil sheet. Top each with brown sugar and butter. Sprinkle with cinnamon. Top with chocolate chips, marshmallows and nuts. Fold to form packet, leaving room for heat circulation. Cook in covered grill or place in hot campfire coals for 4-6 minutes. Serve with whipped cream and cherries!

"This is a family favorite, easy, fun to make, and DELICIOUS — my grandkids love to make their own." Dona (receptionist). (See www.rvingoutpost.com for more recipes).
